

## Water Dispensers

The Polar Water Dispenser comes with all the benefits :-

- Practical, Compact and Space-saving
- CFC-Free – The ultimate in environment friendly usage
- Convenient, easy installation – No plumbing needed
- Non-spill kit – prevents spillage and contamination from air and insects. For easy loading/unloading of bottle onto dispenser.

Polar Water dispenser comes in the latest designs which are suitable for offices, homes, factories, show-rooms, clubs, hospitals, site offices, exhibition and conference venues.

Available for direct purchase or short and long term rental.
